The New Normal.

Following Jesus in an upside-down world.

In the Old Testament we find the story of Daniel—a teenager who, along with his friends, was forced into a new normal in a single day. In 605 B.C., the Babylonians conquered Israel and among the first Israelites forced into detention was Daniel. His former life was gone, and he was forced to live in exile, far away from Jerusalem. How do you live—and even thrive—in a new normal, when the life you knew is taken away? Where do you turn for answers and assurance? Daniel discovered that his trust could be fully placed in God, come what may. Through his experience, we can find the “new normal” in ours, with confidence that God is in control.

So Will I

Verse 1

God of creation
There at the start before the beginning of time
With no point of ref'rence
You spoke to the dark
And fleshed out the wonder of light

Chorus 1

And as You speak
A hundred billion galaxies are born
In the vapour of Your breath the planets form
If the stars were made to worship so will I
I can see Your heart in ev'rything You've made
Ev'ry burning star a signal fire of grace
If creation sings Your praises so will I

Verse 2

God of Your promise
You don't speak in vain no syllable empty or void
For once You have spoken
All nature and science
Follow the sound of Your voice

Chorus 2

And as You speak
A hundred billion creatures catch Your breath
Evolving in pursuit of what You said
If it all reveals Your nature so will I
I can see Your heart in ev'rything You say
Ev'ry painted sky a canvas of Your grace
If creation still obeys You so will I
So will I
So will I ooh ooh

(Bridge)

If the stars were made to worship so will I
If the mountains bow in rev'rence so will I
If the oceans roar Your greatness so will I
For if ev'rything exists to lift You high so will I
If the wind goes where You send it so will I
If the rocks cry out in silence so will I
If the sum of all our praises still falls shy
Then we'll sing again a hundred billion times

Verse 3

God of salvation
You chased down my heart
Through all of my failure and pride
On a hill You created the light of the world
Abandoned in darkness to die

Chorus 3

And as You speak
A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You so will I
I can see Your heart in ev'rything You've done
Ev'ry part designed in a work of art called love
If You gladly chose surrender so will I
I can see Your heart eight billion diff'rent ways
Ev'ry precious one a child You died to save
If You gave Your life to love them so will I

(Ending)

Like You would again a hundred billion times
But what measure could amount to Your desire
You're the One who never leaves the one behind

Goodness of God

Verse 1

I love You Lord
Oh Your mercy never fails me
All my days
I've been held in Your hands
From the moment that I wake up
Until I lay my head
I will sing of the goodness of God

Chorus 1

All my life You have been faithful
All my life You have been so so good
With every breath that I am able
I will sing of the goodness of God

Verse 2

I love Your voice
You have led me through the fire
In darkest night
You are close like no other
I've known You as a father
I've known You as a friend
I have lived in the goodness of God

(Bridge)

Your goodness is running after
It's running after me
Your goodness is running after
It's running after me
With my life laid down
I'm surrendered now
I give You everything
Your goodness is running after
It's running after me

You're Beautiful

Verse 1

I see Your face in every sunrise
The colors of the morning are inside Your eyes
The world awakens in the light of the day
I look up to the sky and say, You're beautiful

Verse 2

I see Your power in the moonlit night
Where planets are in motion and galaxies are
bright
We are amazed in the light of the stars
It's all proclaiming who you You're beautiful

Verse 3

I see you there hanging on a tree
You bled and then you died and then you
rose again for me
Now you are sitting on Your heavenly throne
Soon we will be coming home You're beau-
tiful

Verse 4

When we arrive at eternity's shore
Where death is just a memory and tears are
no more
We'll enter in as the wedding bells ring
Your bride will come together and we'll sing
You're beautiful
