LOVE VICKERY

The PCBC family is invested and involved in the daily life of the Vickery Meadow community - one of the most ethnically diverse communities in Texas. Vickery is home to refugees from all over the world and God has brought them to our doorstep - just a quick 10-minute drive from the PCBC campus. The goal of everything we do in the Vickery community is to build authentic and lasting relationships.

A few of our opportunities are shown below - but there are many, many more! Please visit our website to learn about Vickery and discover ways you and your family can be involved - there's a place just for you!

VICKERY HERRERA CENTER

The Vickery Herrera Center is an extension of PCBC that offers worship opportunities, plus individual development classes such as English as a Second Language, parenting, sewing, and Bible studies. The Herrera Center distributes clothing, household items, and a food donation center open at designated times.

COLLECTION DRIVES

Several times each year our church family joins together to collect various items for our ministry partners, such as: hygiene products, diapers, coats, blankets, shoes, canned goods, school supplies, and more. As dates and needs are announced, you can bring items to the Commons or to our drive-through drop-offs at the Mission House. These are great opportunities for your entire family to participate and be a blessing to those in our community. Watch for dates, times, and what to bring at pcbc.org/serve and on our social media accounts.
