Noah was a good man who loved God. One day God told Noah to build a big boat called an ark.

God also told Noah to take two of every kind of animal with him into the ark. God said it would rain. Noah, his family, and the animals would be safe in the ark.

Noah worked hard to get the ark ready. God told Noah when to get on the ark. Noah's family and all the animals went into the ark.

It rained and rained for forty days. When the rain stopped, Noah waited for the water to dry up. One day God said, "Come out of the ark. Bring your family and the animals with you." God placed a rainbow in the sky. It is His promise that He cares for us. Noah thanked God for taking care of him and his family.
