CRAFT CONNECTION

Welcome the kids to Bulldozer Crafts. Ask the kids to recall the Point for today. (*Jesus will always love me.*) Remind kids that because we know Jesus loves us we should want to share that good news with others. Tell the kids they will make a pouch to collect coins to give to missions or at church to help others learn how much Jesus loves them.

ASSEMBLE

Step 1: Fold the template on the scored lines.

Step 2: Use an accordion fold on the sides of the pouch. Press down in the bottom corners with your fingers as you fold the sides to help flatten the folds.

Step 3: Peel the backing from one side of the Velcro dot. Place it on the inside of the flap on the pouch.

Step 4: Peel the backing from the second Velcro dot and close the pouch. The Velcro will automatically stick to the correct spot on the pouch.

Step 5: Print *Jesus will always love me* across the flap of the pouch. Decorate with stickers as desired.
